

**An adrenalin rush. A laugh. You.**

**Three of the many things you probably thought you'd never get on a cruise.**

Never fancied a cruise? Well, an Ocean Village cruise is a different experience altogether. In fact, it's all kinds of different experiences. River rafting, abseiling, mountain biking, horse riding and sightseeing or just relaxing in the spa, by the pool and on the beaches.

True it's a cruise, but it's far from traditional. You can wear what you like, do what you fancy and eat when it suits you - 24/7 if you want. You've cool pools, deck jacuzzis and an ocean-view gym to enjoy by day, and stand-up comedy, live bands and more bars than there are days of the week for you to live it up at night. And because the ships sail most evenings, you get to make the most of every minute of your holiday.
