About Us

P H Warr plc delivers Property & Construction Surveying services from offices covering London and Southern England. We have an emphasis on providing a solution led, client focused service and offer the chance to work on an exciting portfolio of commercial, lifestyle, public sector, education and residential clients.

The Roles

These are key appointments for our London, Brighton and Southampton offices. You must be well organised, analytical, have excellent communication skills and be able to work on your own initiative. Your proven track record in quantity surveying, managing multiple projects and RICS accreditation will secure these roles.

You will have a strong belief in exceeding client expectations and your aspiration to progress will be demonstrated through your approach and delivery. In return, we will offer you an attractive package appropriate to your experience along with training and excellent career development opportunities.

To Apply

If you are looking for a new challenge with an ambitious company this is the opportunity. Please send your CV to sue@phwarr.com quoting the reference QSRBo7/07. Early applications invited, final closing date is Friday, 17 August 2007.

For more information telephone 0870 770 2828, for full details of our vacancies and office locations please visit www.phwarr.com.

Strictly no agencies please, we are an equal opportunities employer.
