## Continues to maintain a clean, safe washroom environment

AIRGUARD is a lightweight anti-bacterial backboard that protects walls and assists with reducing the spread of bacteria, maintaining a cleaner and safer washroom environment for users.

AIRGUARD's anti-bacterial additive prevents bacteria surviving by effectively starving them to death. Our formulation is proven to kill 99.9% of almost all species of bacteria including CDIFF, MRSA, E.Coli, Listeria and Klebsiella, and reduces risk of infection. AIRGUARD is compatible with all of our hand dryers and continues to work for up to 10 years. It is also moisture resistant, non staining and flame retardant.

**REAL  
PEOPLE,  
NOT  
ROBOTS!**

**The special Plug & Play 24 Hour replacement warranty for the Pebble and Pebble Mini.**

**We pride ourselves on our very simple replacement service;**

1. Simply call our technical support line on 01425 689313 and report your fault.
2. Our technical team will call you back within 60 minutes.
3. If we cannot solve the problem on the phone, a replacement hand dryer will be dispatched that very day \*.
4. When you receive the replacement dryer, simply follow the instructions on the box or download the QR code video on how to replace the dryer – anyone can do it, no training required.
5. That's it, your good to dry again.
6. Place the potentially faulty hand dryer in the same box, secure, and call us on 01425 616013 to arrange collection.

**Now, the good to know:**

Our 24 HR service runs Monday – Friday, only in UK, and only applies to units in warranty and plug & play enabled. In order to gain 24 HR replacement the initial fault must be recorded before 1pm that day, if the fault is recorded after 1pm, the replacement unit will be dispatched the next day\*. Non return of the potentially faulty unit will lead to a charge. If the returned potentially faulty unit is deemed out of warranty or the fault is not warranty related i.e. vandalism, excessive motor wear, then a charge will be applied. We take no responsibility for courier delays.

## VTS Service for all non Plug & Play products

1. Call or e-mail us. \*During business hours we aim to reply by call or email within 1 hour. If out of hours, please leave a message and we will get back to you as soon as possible.
2. If required we will organise collection of your dryer on a day that suits you.
3. Once we've got your dryer, we'll carry out an initial check and notify you of our findings.
4. If repairs are needed, with your permission we will carry out a full inspection, repair, clean and polish and return the dryer to you.
5. Within the 1st year of purchase, all dryers will be repaired with parts and labour costs covered by us.
6. Most dryers are returned in less than 5 working days of receipt by Technical Support.

## Trustpilot review by John at Electri-call-us

“The VTS staff are very helpful and knowledgeable. They know their products and offer a top-class service. The hand dryers are priced for a range of budgets and applications. A nice touch with the concerns of recycling and throw away. And, fit new, if it goes wrong the return and repair service is offered.”
