

Hi-Speed Surface-Mounted ADA Compliant Hand Dryers

VERDEdri™ is a high speed, surface-mounted ADA compliant hand dryer featuring HEPA filtration system and antimicrobial technology.

VERDEdri is extremely energy efficient utilizing only 950 watts of power. The adjustable two speed motor controls and global universal voltage features accommodate any commercial washroom environment.

Fast and Quiet

- 12 second dry time. High intensity single port nozzle

Energy Efficient

- Energy efficient utilizing only 950 watts of power

Hygienic

- HEPA filter reduces contaminants in the air when hand drying
- SteriTouch® antimicrobial technology inhibiting the growth of bacteria, mold and fungus extending the dryer's service life

Universal Voltage

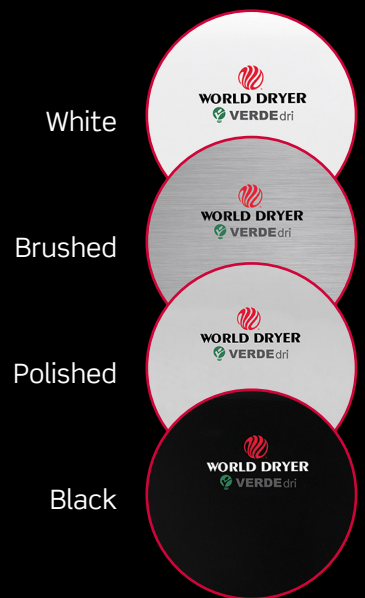

- 110-240 Volts

Flexible

- Adjustable two speed controls to customize drying time, sound level and energy savings
- Replaceable motor brushes extends product life

Easy Installation

- Simple surface mounted installation reduces installation costs
- Optional adapter kit for top-entry conduit

Fast dry time and energy efficient

Meet World Dryer's SMARTdri™ Series and experience a host of cost saving opportunities

SMARTdri™ Series high-speed hand dryers are the most energy efficient, durable, hygienic hand dryers on the market today. SMARTdri's proprietary motor technology offers the longest service life of any high-speed hand dryer. The intelligent, flexible controls allow customizing of air flow, sound quality and heating options to fit any application.

Highly Durable

- Ideal for high traffic areas
- Longest service life in high-speed hand dryers
- 2 to 3 times longer service life than other competitive high-speed hand dryers

Lowest Cost

- 99% savings over the cost of paper towels

Energy Efficient

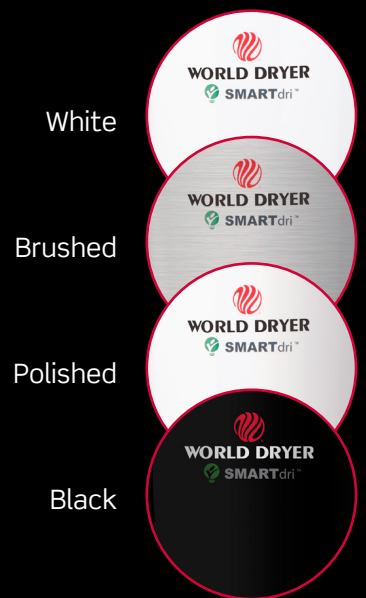

- Uses 40% less energy than competitive high-speed hand dryers
- Uses only 12% energy of traditional hand dryers

Most Hygienic

- Automatic operation, antimicrobial technology
- Incorporates SteriTouch® antimicrobial technology inhibiting the growth of bacteria, mold and fungus extending the dryer's service life
- Automatic operation promotes hand hygiene

Extremely Fast

3 times faster than traditional hand dryers

Surface-Mounted ADA Compliant Hand Dryer

SLIMdri™ is an energy efficient, surface-mounted and ADA compliant hand dryer. The SLIMdri hand dryer is perfect for all commercial washrooms. The On/Off heating control, stylish low-profile design with flexible cover options and universal voltage features fits any décor or washroom environment.

Fast

- Up to 40% faster dry time than leading competitive surface-mounted ADA compliant hand dryers

Energy Efficient

- Up to 70% less energy than competitive dryers
- Universal Voltage (110-240 Volts) - Adapts to all electrical supplies

Hygienic

- SteriTouch® antimicrobial technology inhibiting the growth of bacteria, mold and fungus extending the dryer's service life

Flexible

- ON/OFF heat options

Slim Design

- Compact, sleek and modern design complements any washroom décor

Easy Installation

- Reduces installation costs

Automatic Operation

- Promotes healthy hygiene
